

The Pirates Next Door

Imagine finding out that you discover pirates have moved into the house next door to you! Once you've met the pirates in Mr Boyd's story, write your own adventure about your new neighbours. You could create a story, a cartoon, or even publish your own book!

- What did the pirates get up to?
- What could you hear through the walls?
- What appeared in the garden?
- Are pirates good at 'lockdown' on land?
- Did the crew eventually leave?

So many questions to help you think about your story...
