

Here we are- Notes for living on planet Earth 2

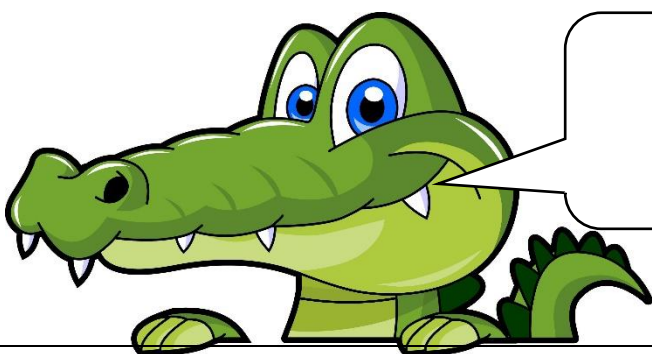

Simon has really enjoyed reading all your fantastic ideas for living on planet Earth.

Although, now he wants us to try and help others.

He has had a couple of ideas and he needs your help with them. I'm sure you are more than willing to help him.

Simon wants you to:

- Create a poster telling people how to wash their hands properly and safely.
- Write a list of ideas on how we can help our community.
- Write a letter to a relative who you haven't seen in a long time to ask how they are.
- Draw a picture of yourself with a friend doing an activity.

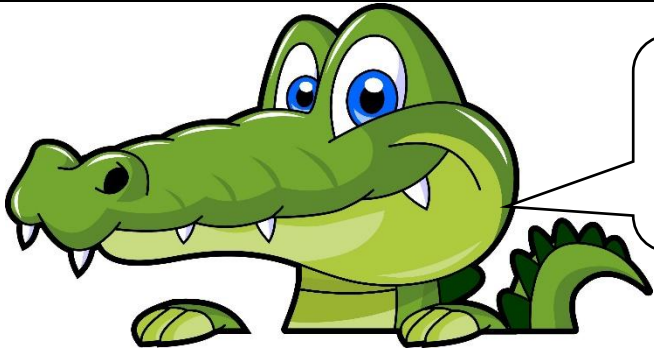

Thank you for your
help

let's
DISCUSS

Washing our hands properly is super important.
It is the best way to keep us safe at the moment.
Can you create a bright and colourful poster,
which explains how we wash our hands and why it
is so important?

A large empty rectangular box for creating a poster.

Sometimes people can get very lonely and sad. Wouldn't it be really nice to write them a letter?

Write a letter to a relative who you haven't seen in a while and ask them how they are.

Dear _____.

Love from _____.

I am sure you are all missing your friends from school.

I know you cannot be with them at the moment, but why don't you draw a picture of you both enjoying an activity together.
