

This week we are taking a brief break from Reciprocal Reading to look at finding meaning in images. We will apply our reading skills to analyse, infer and make predictions about the picture above.

1. Take a few moments to look at the picture. Pay attention to the details in it and then take a step back to view the picture as a whole. Can you summarise what is happening in the picture?
2. Annotate the picture with your questions and clarifications.
3. Where is this picture? Is it on this planet? How do you know?
4. Close your eyes and hold the picture in your mind. What sounds can you hear?
5. Use all of the senses to describe this picture. What sounds can you hear? What can you smell? Feel? Even taste?
6. How is the man in the picture feeling? How do you know this?
7. The large rock-like object seems to be opening. Does it lead to somewhere? Why has it opened?
8. Can you compare this picture to any other story you have read or film you have watched?
9. Should the man go inside? Why?
10. Can you make a prediction about what the man does next?

Challenge: Draw a picture of what happens next.
