

07.01.21

I can find tens and ones.

Using Base 10, can you find the numbers.

Use the example to help you.

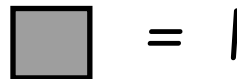

Tens

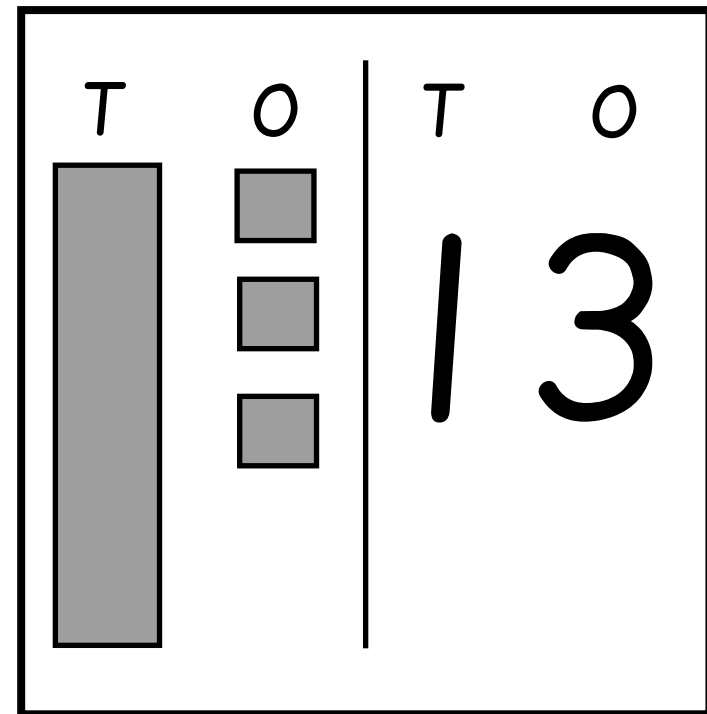

= 10

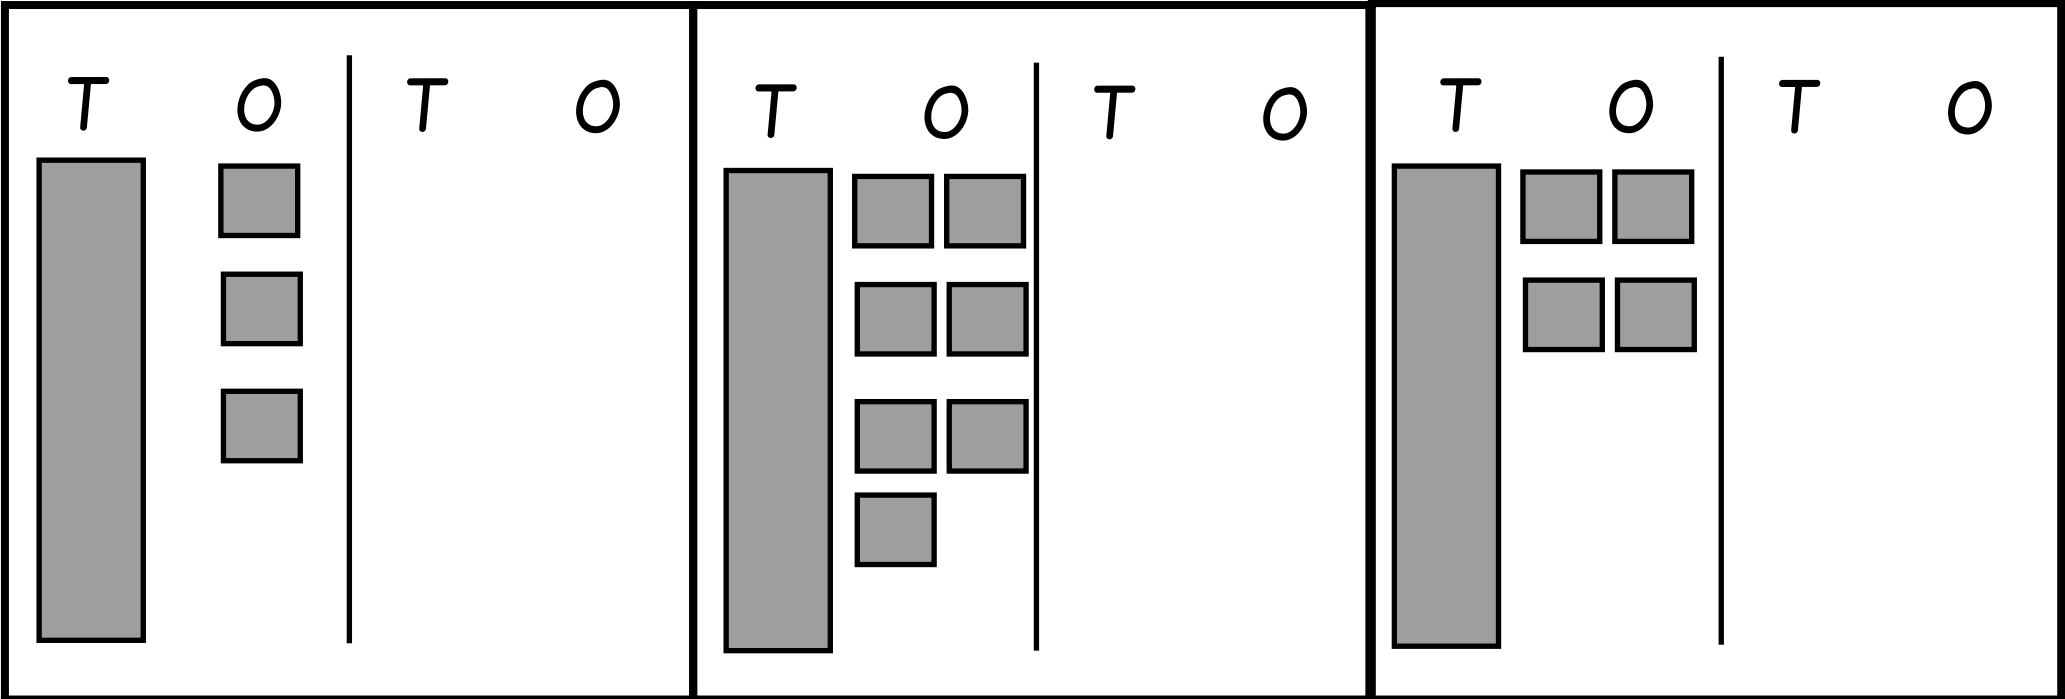

Base 10

Ones

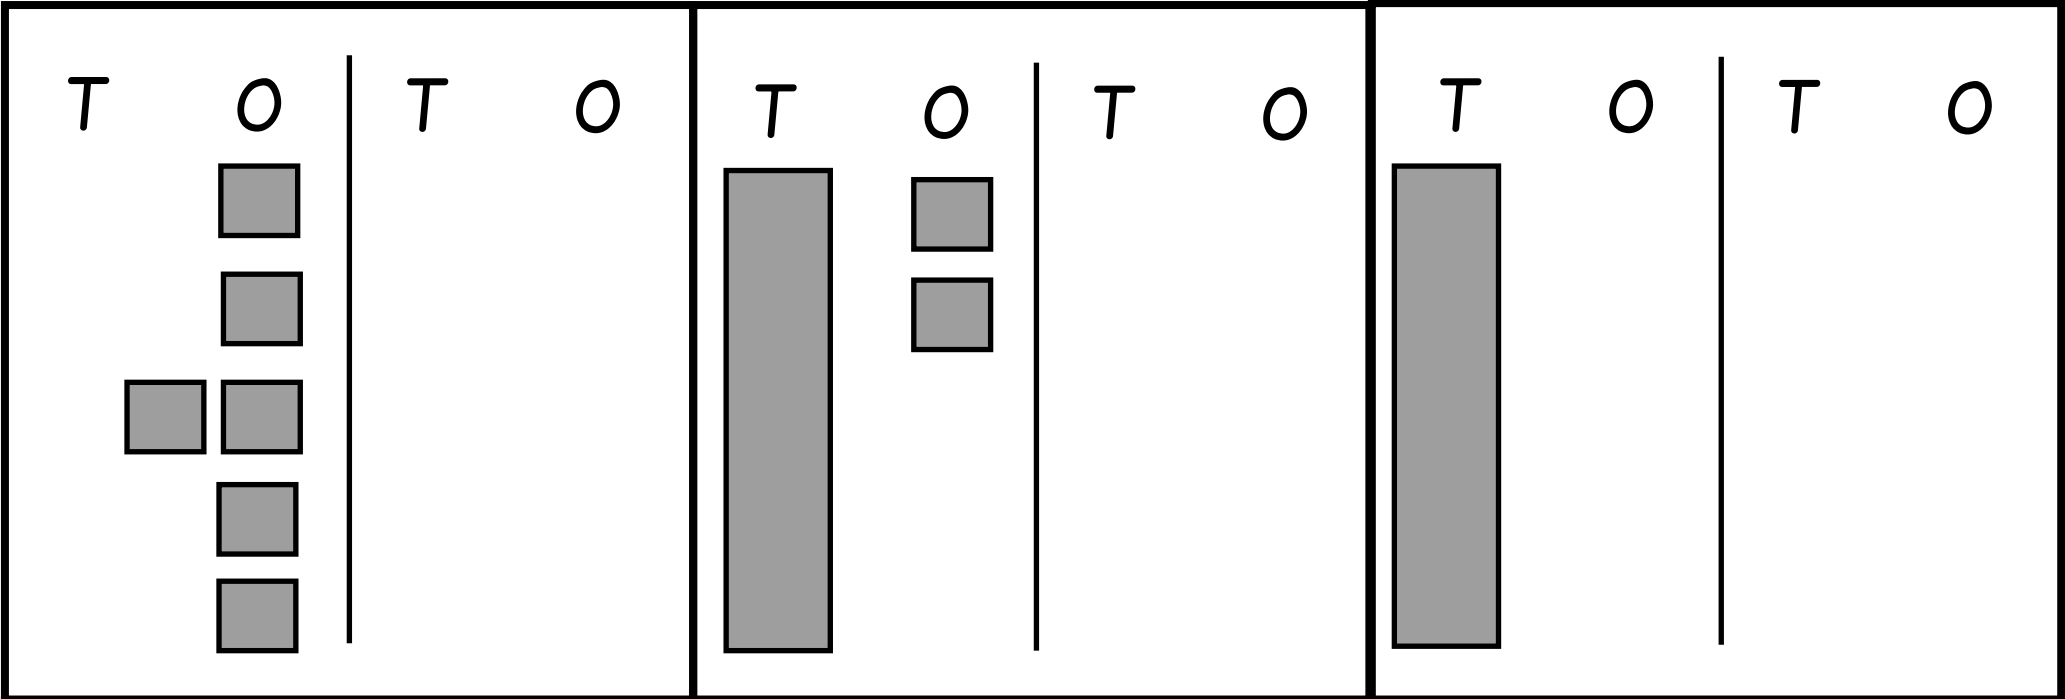

= 1

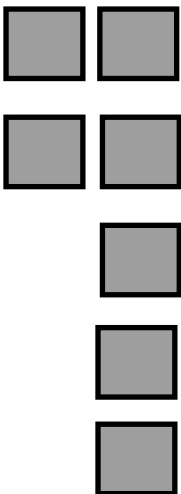

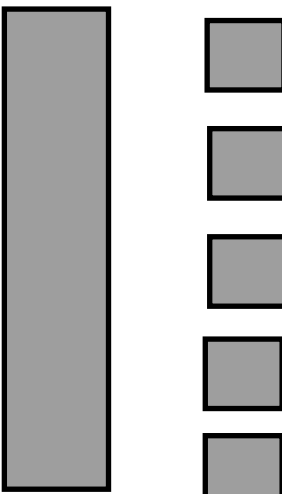

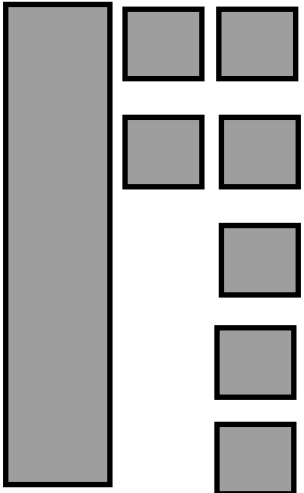

<p>T O T O</p> <p>18</p>	<p>T O T O</p> <p>15</p>	<p>T O T O</p> <p>6</p>
----------------------------	----------------------------	---------------------------

<p>T O</p>	<p>T O</p> <p>9</p>	<p>T O</p> <p>13</p>	<p>T O</p> <p>10</p>
------------	---------------------	----------------------	----------------------

<p>T O</p>  <p>T O</p>	<p>T O</p> <p>T O</p> <p>7</p>	<p>T O</p>  <p>T O</p>
---	--------------------------------	---

<p>T O</p> <p>T O</p> <p>11</p>	<p>T O</p>  <p>T O</p>	<p>T O</p> <p>T O</p> <p>20</p>
---------------------------------	---	---------------------------------
