Task 2: Maths

Our objective: To count, recognise and order numbers up to 20.

Your task: Practise counting out loud from one to 20. Watch:

<https://www.youtube.com/watch?v=aqla6iYfyJ4>

Your task: To write out the numbers from 0-20 on individual pieces of paper to make your own number flashcards.

Ask an adult to show you them in a random order, can you identify the numbers? Note: 11, 12, 13, 15 and 20 are the difficult ones as they do not follow the number pattern.

Spread all your number cards out on the floor. Can you put them in order from 0-20? If you struggling remember to count out loud to help you find which number comes next.

Task 3: Literacy (Introduction to our topic of Superheroes)

Our objective: I can talk about my own ideas and create a superhero.

On Monday we introduced our topic of Superheroes and as a class we answered the following questions:

- What is a superhero?
- What superheroes do you already know about?
- What do we mean by special powers?
- If you could be a superhero who would you be?
- What powers would you have?

Your task: To complete the Superhero Me worksheet, attached. (This can either be printed, completed on blank piece of paper or a paper copy can be collected from the office). Grown-ups can scribe all of the children's wonderful ideas under the three headings.

Additional resources/activities that might help you achieve your tasks:

Phonics Play: Focussing on the sound of the day, sound out and blend the words from reading, then sort them into real or pretend words. <https://www.phonicsplay.co.uk/resources/phase/3/buried-treasure>
