My World - Share something you've enjoyed or are proud of.

We would love to hear about something you've been up to outside of school. Maybe you've been on an afternoon adventure climbing trees in the woods. Or maybe you've spent an evening cooking up a delicious meal or sweet treat. Maybe you've had a special day to celebrate or spent the day building a model out of LEGO and you're proud of what you've achieved. Tell us all about it below and maybe draw a picture, or upload a photograph, to go alongside your writing.

I've had a very busy weekend making a cheesecake. I decided to try a new recipe and used one of my favourite chocolates, Lindt Balls. My first attempt didn't quite go to plan as I didn't leave the mixture to set long enough in the fridge. I'm very impatient! When I opened the tin all of it spilled out onto my worktop. It wasn't a very nice job to clean it up.

My second attempt went much better and I ended up with a very tasty orange Lindt Ball flavoured cheesecake. It was delicious and I will certainly be making it again. It didn't last very long as I did a few doorstep deliveries to friends and family.

Miss Johnston
