My World - Little Bo Peep's Sheep

Little Bo Peep lost her sheep,
And didn't know where to find them.
Leave them alone and they'll come home,
Bringing their tails behind them.

I came across these beautiful illustrations whilst looking at our work involving Humpty Dumpty and I couldn't help but think more about Little Bo Peep's sheep. Where did they go when she lost them? Maybe they were playing a game of hide and seek or causing mischief in the local town. Where do you think the sheep went? Did somebody help look for them and return them back to Little Bo Peep? Let me know your ideas.
