

Using the website Top Marks, go to Hit the Button, Times tables, Hit the Answer. Record your score for each of the times tables below. By the end of year 4 you are expected to know all of your times tables up to 12x12 😬. See if you can improve your lower scores (i.e. if you get 30 on your 10s but 2 on your 8s, don't have another go at your 10s!).

Times table	Mrs Best's attempt	My 1st Attempt	My 2nd Attempt
3	35		
4	34		
6	33		
8	30		
9	30		
12	34		

Feel free to add an extra column in if mum, dad, brother, sister wants to flex their times table knowledge too...!

I wonder if anyone will beat my scores... I think a few of you may!

Extra Challenge: You must know your division facts as fluently as your times tables. See if you can answer these as quickly. Remember 4 seconds to answer each question.
