

Learning Objective: To recognise, create and describe repeating patterns.

Watch Numberblocks:

<https://www.bbc.co.uk/iplayer/episode/b0bp2t8d/numberblocks-series-3-pattern-palace>

Task 1: Play the repeating pattern game:

<https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns>

There are three different levels. Level 1 focusses on two step patterns, and the levels gradually increase in difficulty.

Task 2: Make some patterns of your own.

Look around you house for objects that you can use to make your own patterns with. You may choose to use your toys, such as car, train, car, train etc. or items that are different colours e.g. duplo bricks: red, green, yellow etc. You can make them as simple or as complicated as you like.
