LO: Identify symbols on a map and key places

The first map is a map of Keyworth without symbols.

If you live in Keyworth can you find your street? Or do you recognise any of them or know anyone else who lives on a street in Keyworth?

List below

Can you find Willow Brook school?

Which other schools can you find?

How many churches are there? Can you name them?

Can you find the village Hall?

How many car parks can you find?

What other buildings and places can you find on the map?

Make a list below.

Look at the second map of Keyworth that shows symbols

A symbol is small picture or mark that represents a building or a place on a map. How many can you see on this map?

What do they represent?

Draw them below then have a go at designing some of your own symbols to represent places on the map.

For example, what symbol would you draw for the Leisure Centre?
