

Monday 25th January

Days of the Week and Months of the Year

Put the days of the week in order starting with the start of our school week, Monday.

You could write them in the correct box or draw a line to where they should be.

Thursday	Monday
Sunday	
Tuesday	
Friday	
Wednesday	
Saturday	

Use the language of today, tomorrow and yesterday to tell me what day of the week should go in each box.
Use the spellings above to help you

Yesterday	Today	Tomorrow
	Friday	
		Monday
Monday		
	Wednesday	
		Friday
Wednesday		
	Saturday	

Put the months of the year in order below. You could also tell me what season each falls into or draw a little picture of a key event that may happen that month next to the box. For example there may be a birthday cake next to September on my worksheet or a little snowflake for December, January and February to show that it is winter.

May	
February	
June	
October	
December	
April	
January	
August	
March	
September	
July	
November
