I can subtraction within 20 (not crossing)

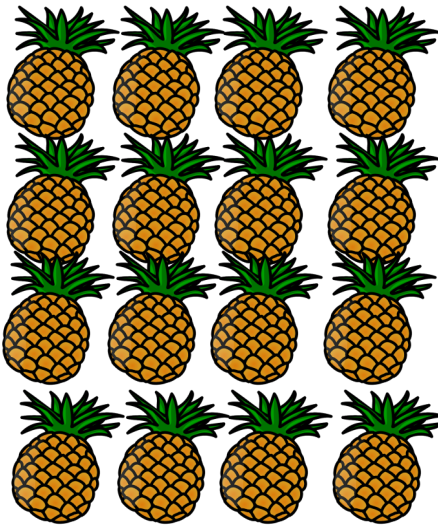

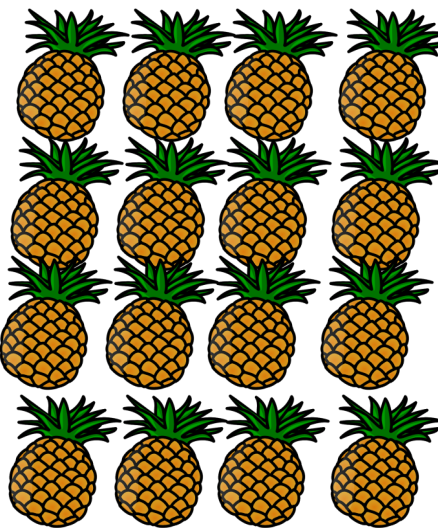

Eating Pineapples

As you know, Mr Boyd loves pineapples. However, sometimes he gets a bit greedy and eats too many. Today, we are going to do some simple subtraction to help Mr Boyd count how many pineapples he has eaten

Started With	Ate	Pineapples Left
		
Mr Boyd started with _____	He ate _____	He has _____ left.

Started With	Ate	Pineapples Left
		
Mr Boyd started with _____	He ate 1	He has _____ left.

Started With	Ate	Pineapples Left
		
<p>Mr Boyd started with _____</p>	<p>He ate 4</p>	<p>He has _____ left.</p>

Started With	Ate	Pineapples Left
		
<p>Mr Boyd started with _____</p>	<p>He ate 6</p>	<p>He has _____ left.</p>

Challenge

Write a question for a parent or Mr Boyd to answer.

Started With	Ate	Pineapples Left
