

Spelling Words: Week 1

Whilst working from home, we are going to focus on learning our list of Year 2 High Frequency Words. Here are this week's words for you to learn at home. You could write them into sentences, 'Look, Cover, Write, Check', or any spelling game you'd like to play to learn them. Once you feel confident, get a grown up at home to give you a little test. Maybe you could let me know how many you get correct.
