

LO: To write action sentences.

Turn these events into exciting sentences.

You could use:

- Adjectives and adverbs
- Action sentences of three
- Dropping in an ing clause
- Short and long sentences
- Starting with a simile

Example:

The pistons started to pump..... The girl *twisted the wheels, pulled the leaver and slammed the button. Like a sprinter leaving the starting line,* the pistons shot into action. Moving up and down, *pumping speedily,* they powered the engine. *It worked.*

The eyes lit up.....

.....
.....
.....

The dial shot round.....

.....
.....
.....

The pipes trembled.....

.....
.....
.....

Now write your own action packed paragraph (You can use some of the sentences you have already written to create your final paragraph)

.....
.....
.....
.....
.....
