

Make a list of all of the rules that you have to follow at home and school. Make a list of the laws that you have to follow in the UK.

<b>Rules at home or school</b>	<b>Laws</b>

Have a think...

Why do we have rules?

What would happen if we didn't have any rules at home or school?

Why do we have laws?

What would happen if we didn't have any laws?

Who is in charge of enforcing (making sure something happens) rules? Who is in charge of enforcing laws?

What is the difference between a rule and a law?

What happens if you break the law?

In the UK, the age of criminal responsibility is 10 years old. That means if you commit a crime under the age of 10 you won't go to jail but you will still be trouble (not least from your parents!).
