Mr Jones stops off mid run to get a bottle of still water and a rice crispie cake. How much does he spend in total?

Mr Castledine is feeling hungry on his way back from a walk! He gets 2 rocky roads and a fruit scone. How much has he spent?

Mrs Roper and Mrs Ballard are out for a socially distanced walk. Thirsty Mrs Ballard gets a luxury milkshake and treats Mrs Roper to a hot chocolate with cream and marshmallows! How much does she spend altogether?

Mrs Sampson brings a £5 note and would like a cappuccino, a bakewell tart and...oh! Has she got enough for a sweet treat for baby Eleanor?

Mrs Smith stops by with her 2 children to get a cupcake each and a coffee for her. How much does she spend?

Ruari has dropped his pocket money on his way down to the snack shack but has managed to save a £2 coin! What combinations of drink and snack could he buy?

Ava is feeling hungry! She buys 2 chocolate chip cookies on her way out for a walk. Jack was feeling even hungrier after his walk and bought 2 rice crispie cakes AND 2 shortbreads. Rebecca was even MORE hungry than these 2 after her long walk and bought 2 flapjacks AND 3 shortbreads.

Who spent the most? Who spent the least?

What would you order at the snack shack? How much would it cost you?

Who would you like to meet for a socially distanced walk and takeaway treats? What would they order?
