

Learning for year 2 for the week beginning: 18.1.21

Please return all finished tasks for marking.

Day 1	Task 1 - Maths Our learning objective: Subtracting number bonds Your task: Use your number bonds to help you complete the subtraction questions.	Task 2 – English Our learning objective: Breaking down the story into its 5 key parts. Your task: Thinking about the 5 key parts of a story (beginning, build up, problem, solution, end) plot the key parts of our story.	Task 3 - Topic Our learning objective: Identifying key symbols on a map Your task: Use the map of Keyworth, a place you should hopefully know well, to identify key places and symbols on the map.
Day 2	Task 1 – Maths Our learning objective: Subtracting multiples of 10 Your task: Using your understanding of tens and units, subtract 10 and multiples of 10 from the given numbers.	Task 2 – English Our objective: Retelling the story in your own words. Your task: Listen to the story being read again and think about any of the language that keeps popping up. Use this, along with the story mountain you created yesterday to retell the story in your own words.	Task 3 - PSHE Our objective: Needs and wants Your task: Identify the difference between a need and a want. What do you need to stay alive, be happy and healthy, and what would just be an added luxury? Create a list for each.
Day 3	Task 1 - Maths Our learning objective: Problem Solving with Multiples of 10. Your task: Show your understanding of number, and multiples of 10, to work out the answers to the problems.	Task 2 – English Our learning objective: Over the wall Your task: The wall in the story divides the city and somewhere else. Your task is to describe both places on either side of the wall. One is happy and bright, the other dark and sad.	Task 3 – Topic Our learning objective: Use map symbols to identify different places. Your task: Draw your own map on the grid provided. Use symbols to show what each place is.
Day 4	Task 1 – Maths Our learning objective: Subtracting 9 and 11 Your task: Thinking back to our work last week, this time subtract 9 and 11 by using your understanding of subtracting 10.	Task 2 – English Our objective: Why did Humpty Dumpty fall off of the wall? Your task: An independent writing task thinking about what happened to Humpty Dumpty before he fell. Was it really an accident? Did someone/something push him?	Task 3 – Science Our objective: Animal Groups Your task: Sort the descriptions of each category under the correct heading before sorting the animal pictures. BBC Bitesize has a really useful website if you need some help: https://www.bbc.co.uk/bitesize/topics/z6882hv
Day 5	Task 1 – Handwriting Our learning objective: ir and er Your task: Join the letters using a diagonal join.	Task 2 – My World Our objective: If you were as small as a mouse, or as tall as a giraffe... Your task: If you woke up one morning as small as a mouse or as big as a giraffe, what would you get up to?	Task 3 – Creative Challenge Our objective: Make your own paper bird Your task: Using the websites for some ideas, design and make your own paper bird. Set up a flight area, and after a test flight or two, measure the distance your paper plane bird can travel. Send in your distance and we'll create a leader board.
