

Reading!

Today you are going to tell me a little bit more about what you're reading by showing me! You are tasked with drawing me a picture of a scene from your book (make sure it has at least one or more of the main characters). It can be done in any medium you like (pencil, paint etc) but I would also like you to write a few sentences to explain it to me. Remember to tell me the name of the book and author.

I have had a go at a couple of scenes from the book that I am reading now, *Skellig* by David Almond!

Skellig by David Almond

Ten year old Michael moves into a house which needs a lot of work doing to it. The house has a crumbling garage in which Michael discovers Skellig who is part-boy and part-creature.

Skellig by David Almond

Ten year old Michael moves house and he meets his neighbour, a girl called Mina who likes to sit in her tree watching the birds. Michael finds her really interesting and different. Mina has a cat called Whisper who is often found exploring Michael's new garden.
