

I have written some boring sentences and I would like you to use the vocabulary you came up with yesterday to improve them.

Use modifying adjectives, from yesterday's work, and prepositional phrases to improve the sentences. See the prepositions sheet to help you.

You may want to use more of your writing skills to uplevel these sentences even more, feel free to make them as impressive as you can.

The Ice Giant moved.

.....
.....

The ice giant stood tall

.....
.....

The wind blew.

.....
.....

A snowflake fell

.....
.....

The sun shone

.....
.....

Can you come up with some of your own descriptive sentences using all the English skills you have

.....
