Writing your own poem

Use the structure of the poem by Paul Cookson to write your own. You may choose to use some teachers that you know, or some made up names that may be a little easier to rhyme. Illustrate your poem to show what each animal is up to.

Here are some of my examples:

Mr Togg keeps his slimy frog,  
Hidden under a garden log.

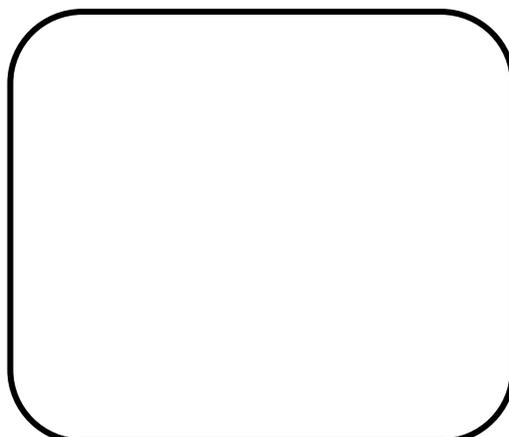

Mrs Froad has a toad  
Eating flies by the side of the road.

Miss Frail keeps her snail  
To help her glue and stick her mail.
