

Today's poem is 10 things found in a wizard's pocket by Ian McMillan:

A dark night.

Some words that nobody could ever spell.

A glass of water full to the top.

A large elephant.

A vest made from spider's webs.

A handkerchief the size of a car park.

A bill from the wand shop.

A bucket full of stars and planets, to mix with the dark night.

A bag of magic mints you can suck for ever.

A snoring rabbit.

Today's poem is simply a list of things- but with well chosen descriptive phrases and imaginative things! Choose from 10 ways to...

Climb a mountain

Get to school

Keep Miss Brearey happy

Make a tree grow

Get thinking- mix in some sensible suggestions with some wackier ones and I'm sure it'll make for a very interesting read!

Here is Mrs Best's example...

10 Ways to Climb a Mountain

Hitch a ride with Sir Chris Hoy.

Hopping on one leg because you lost a slipper on the way up.

Whilst eating spaghetti from a bowl.

Chatting and laughing with friends.

Float up on Moomintroll's cloud.

Have a wheelbarrow race to the top.

Moaning and whining the whole way up.

Follow the rainbow.

Plan the route out on a map.

Walk on your own 2 feet.
