### BOOK STUDY

Roald Dahl day will be our first exciting whole school event this year. We have already made a start on reading our class story by one of the masters of character description, word play, and creative imagery. I can't wait to see what writing and artwork comes from being inspired by such an established writer.

### OUR FIRST DAY IN YEAR 2

It was great to welcome our new Year 2s into school this morning. I had to get a quick class photograph as they all looked so smart in their uniforms. I know the new shoes will be covered in scuffs, and white polo shirts will have school dinner stains on them before we know it.

It was so nice to be greeted by a line of smiles on the playground, from both adults and children, as they were dropped off this morning. Thank you so much for leaving them in my care on the playground to line up. It really does make them feel very grown up and means we enter school swiftly on the bell. I've heard so many stories of holiday adventures, days out and PJ days at home. It sounds like everyone has had some great family time.

### HOME LEARNING

#### READING

Your child will be heard read individually and through group guided reading sessions each week. Please try to read at home as much as possible and make a note of reading in your child's reading record. Children's books will be changed during the week.

#### HOMEWORK BOOK

Your child will bring home their homework book each week on a Friday containing two tasks. One will be subject based and the other will be a spelling activity. Please return books to school by Wednesday so they can be marked in time to come back out on Friday.
