

Reception - Outdoor Learning

This half term we will be starting our outdoor learning at the forest school site, adjacent to school, from 1.30pm-2.15pm on Monday afternoons. Please could you send your child with a pair of wellies, with their name on, that they will keep in school. They will also need to bring a waterproof coat on Mondays as we will be going outdoors in all weather.

If you are available to join us for the sessions, we would be grateful for parent helpers. We would love some extra pairs of hands to support the children in their activities, so please note we are not able to take younger siblings with us too. If you would like to help out, please could you complete the form below and return it to one of the reception class team. All offers of help will be accepted - if you have ticked the box, we look forward to seeing you!

Thank you for your support.
