

Willow Brook Primary School Curriculum Enrichment – Spring Half Term 1

At Willow Brook we believe it is important to enrich academic learning with activities, lessons and clubs that build confidence and provide opportunities to develop new skills. Willow Brook staff are keen and generous in giving their time to offer a varied programme. There is always something new to try! All that we ask is that, once signed up, children are committed to the half term. As well as ‘commitment’ being one of our 5 C’s, sometimes it takes a few sessions to find your stride. **The timetable below provides details of what is happening during the half term. A new calendar will then be published for the spring 2nd half term.** This allows us to alter activities, make seasonal adjustments and offer new year groups a chance to take part. We do our best not to cancel clubs, but if teachers are absent we will notify you as early as we can by Parentmail. If rain stops play outside during the afternoon, we will find an alternative indoor activity so that there can be no error in communication leaving children uncertain.

	Before School	Morning Curriculum	Lunch	Afternoon Curriculum	After School
