

Class R's Learning Letter

Welcome back, everyone! We hope you have all had a lovely holiday. It was lovely to meet with you all at parents evening to share your children's work and all the wonderful progress they have made so far this year.

This half term features 'All Creatures Great and Small'. Please follow our class webpage to keep up to date with the latest photographs and information from our learning journey by scanning the QR code. Our EYFS creative curriculum plan provides more information about the exciting learning opportunities that we have planned for this half term.

Reading at home

Thank you for continuing to support your child's learning at home by reading and recording this in their reading record. Children should **read their reading book at least three times a week** to enable them to make the best possible progress in school.

Toys

We have seen an increase in children bringing things into school from home. This is a polite reminder that **children should not bring toys into school** – thank you.

Other information

- **Outdoor learning is continuing on Mondays**, please ensure that your child has wellies and waterproof trousers so that we can get out in all weathers. This half term is always a lovely time of year to be outside exploring and looking for bugs and insects.
- **PE continues on Wednesdays**, please ensure PE kits are in school every day in case of any occasional changes. If your child wears tights to school, please include a pair of socks in their PE bag.

Finally, please remember that you are more than welcome to talk over any worries or questions you have – however small. Any member of staff will be happy to answer your questions and you can always pick up the phone and leave a message with the school office.

Thank you for all your support, Mrs Cotton and Mrs Sampson
