End of Year Expectations for Year 6

This booklet provides information for parents and carers on the end of year expectations for children in Year 6 in both English and Maths. The 2014 National Curriculum, which outlines the programmes of study for each year group in more detail, can be found online or via the link from our website 'curriculum' page.

These objectives will be the focus of direct teaching throughout the year although work will be appropriately differentiated to meet the learning needs of individuals.

Teachers will also recap and revise objectives from previous year groups. If you would like to see the expectations for other year groups, these booklets are all available to view on our school website.

Home tasks set throughout the year will enable you to support your child in meeting these objectives but if you have any queries regarding the content of this booklet or want support in knowing how best to help your child please talk to your child's teacher.
